Civil Legal Assistance

Attorneys can help low-income Hoosiers, from home or anywhere, through Indiana Free Legal Answers. Register as a pro bono attorney at indiana.freelegalanswers.org to answer civil legal questions.

Save the Date

Please save the date of Thursday, January 28 from 4:30-5:30 pm ET for the Foundation's virtual gratitude event. The event will recognize the Foundation's sponsors and Keystone Society donors, and it will feature a few beneficiaries of our mission.

Giving Tuesday

Today is Giving Tuesday, a global generosity movement that encourages people to do good. Below are different ways you can give to the Indiana Bar Foundation, either monetarily or by volunteering your time. Thank you for your past and continued support of the Foundation.

We the People Competitions

More than 800 students participated in We the People regional competitions last month. Twenty-eight classes qualified to compete at the State Finals December 7-10. See the list of schools competing [here](#).

There are a couple spots left to judge at the state competition. Sign up [here](#) today!

High School Mock Trial

Volunteer registration is open for the 2021 High School Mock Trial season. Competitions will be virtual, allowing volunteers to participate from anywhere. Regionals will be held February 13 and 20, and the State Finals will be March 6-7. Those interested can sign up [here](#).

Civic Education Task Force Recommendations

The Foundation and Lt. Gov. Suzanne Crouch, chair of Indiana's civic education task force, released their recommendations to improve civic education opportunities and practices for Hoosiers at a press conference on November 18. A recording of the press conference can be watched [here](#), and the full report can be found [here](#).

Keystone Society

On behalf of the board of directors and staff, we want you to know that we value your many contributions of time and resources. Quite frankly, we could not carry out our mission without you.

It is our desire to reach our fundraising goal of

\$125,000 by December 31. There are various levels of giving and associated benefits to recognize donors who help us achieve this goal. Our highest level of donor recognition is the Keystone Society, which recognizes donors who contribute \$1,000 or more annually. Even if you are not able to give at the level of the Keystone Society, a gift at any amount is greatly appreciated. Please consider a gift that is meaningful to you.

Contact Kim Berry at 317-269-7864 or kberry@inbf.org with any questions and to discuss further. We are grateful for your continued participation and support.
