Scholarship for Serving Indiana's Indigent and Working Poor

September 30th is the deadline for the [Richard M. Givan LRAP Scholarship](#). We are grateful to the late Chief Justice's law clerks and our donors who contributed to this endowment to honor him and help attorneys serving those in need with loan repayment assistance.

Keystone Society: A New Way to Show You Value Civil Justice and Civic Education

September 30th ends your chance to become a charter member of the Keystone Society and double your donation through the 1:1 matching gift campaign. Show your support for educating our youth and expanding civil justice for those who cannot afford private legal advice. Beginning October 1, an unrestricted donation of at least \$1,000, which could be made with monthly donations of less than \$85, will ensure civic education programs like Indiana High School Mock Trial and *We the People* continue to grow.

The Keystone Society recognizes any individual who annually donates unrestricted funds to ensure the Foundation's mission is strong. [Learn more about the Keystone Society here](#). Until September 30th, you can become a charter member for \$500 *this cycle only*.

Civics: Educating Tomorrow's Leaders and Today's Adults

Volunteer recruiting has begun for regional and state *We the People* competitions as well as High School Mock Trial's February and March trials. [Find the dates and sign up to judge here](#).

Robert Dyson Jr. is an extraordinary volunteer who is not an attorney. He was recognized recently by the ISBA's Young Lawyers' section with the Liberty Bell Award for his efforts to advance knowledge about the Constitution. Congratulations, Robert, and thank you for all the help you give to students.

A new campaign the Keystone Society supports is a [public education project called *A Democracy's Primer*](#). The Foundation is collaborating with the Hoosier State Press Association Foundation with a series of articles by our volunteer leaders. Watch for them in your local newspaper, and [read the first article on our website](#).

Scholarship Helps Attorney Attend ISBA Annual Meeting

If you meet Adrienne Rines, Marion, at the ISBA Annual Meeting, congratulate her on receiving the Helling Scholarship. Established through an endowment by Mr. Helling's family, the proceeds help an attorney active in the ISBA attend the meeting at no cost. Mr. Helling's family wanted to honor their father's career with this gift to ensure others could enjoy the value developed by active membership.

What has your legal career meant for you and your family? Have you considered establishing an endowment at the Foundation to foster that value in the future? It's easier than you think. Contact [Chuck Dunlap](#) or [Theresa Browning](#) to learn how establishing an endowment now will encourage the values dear to you.
